2030	Mitchell	SD 37	<input checked="" type="checkbox"/>	SD 37 through Mitchell	Curb Ramp Upgrades		Mitchell SD 37		

* - It is the Departments practice that the Scope of Improvement on Grading/Reconstruction projects include work to ensure pedestrian facilities (including sidewalks, curb ramps, push buttons, traffic signals, etc.) meet current guidelines.

** - On projects with the Scope of Improvement "Grading of Surfacing to be determined, ADA Facilities", work on pedestrian facilities will include curb ramp updates, push buttons, but could include sidewalks, traffic signals, etc.

Those projects in the Transition plan in the year 2025 are those projects planned to occur between the years 2020 - 2025.

Those projects in the Transition Plan in the year 2030 are those projects planned to occur between 2026 - 2030.
