

SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION

NOTICE OF PUBLIC INFORMATION MEETING / OPEN HOUSE

FOR

I-90 Exit 59 (La Crosse Street) Interchange Options Study

PENNINGTON COUNTY

FUTURE PLAN FOR I-90 AND LA CROSSE ST. INTERCHANGE

Date: May 28, 2015
Time: 5:30 p.m. to 7:00 p.m.
Place: Best Western Ramkota Motel
Badlands Conference Room
2111 B. North La Crosse Street
Rapid City, SD

The South Dakota Department of Transportation (SDDOT) in cooperation with the City of Rapid City will hold an open house style public meeting to discuss and receive public input on the above study. The purpose of the meeting is to present the recommended alternative designs to improve safety and mobility for the traveling public and pedestrians. A study has been completed to identify feasible alternatives for the interchange and analyze environmental impacts.

Between 5:30 p.m. and 7:00 p.m., SDDOT, City and Consultant staff will be available with displays to discuss the study and the need for the future project and answer your questions. A short presentation will be given at approximately 5:45 p.m. During this time, you will also have the opportunity to present written comments.

Notice is further given to individuals with disabilities that this open house/public meeting is being held in a physically accessible place. Any individuals with disabilities who will require a reasonable accommodation in order to participate in the open house/public meeting should submit a request to the department's ADA Coordinator at 605-773-3540 or 1-800-877-1113 (Telecommunication Relay Services for the Deaf). Please request the accommodations no later than 2 business days prior to the meeting in order to ensure accommodations are available.

All persons interested in this future project are invited to attend this meeting / open house to share your views and concerns regarding the study and the purpose and need for this future project, any time between 5:30 p.m. and 7:00 p.m. If you are unable to attend, information from the public meeting will be made available on the webpage:
