

SIoux FALLS CONSTRUCTION PROJECTS
UPDATED: Dec. 11, 2017

Highway: Exit 98 I-29 & SD Hwy 115

Location: I-29 and SD Hwy 115 interchange (exit 98) and along SD Hwy 115 to just south of Dell Rapids

Description of Work: Grading, Curb & Gutter, Storm Sewer, Lighting, Structures, PCC Surfacing, PCC Resurfacing, & Interchange Reconstruction.

Work in Progress: The first phase of construction is substantially complete at the I-29 and SD Hwy 115 interchange. The Contractor has moved onto the second phase beginning with the reconstruction of the bridge over the Big Sioux River just south of Dell Rapids.

Anticipated Work December 11th to December 16th: Grangaard Construction will continue demolition of the bridge on Hwy 115 just south of Dell Rapids. Grangaard will also begin construction of abutment #5.

Traffic Affects: SD Hwy 115 will be closed just south of Dell Rapids for bridge reconstruction. A local detour through Dell Rapids is available for use and signed to guide motorists.

Prime Contractor: T&R Contracting, Sioux Falls, SD

Traffic Control: Dakota Traffic Services, Tea, SD

Grading: Bowes Construction, Brookings, SD

Erosion & Sediment Control: Guardrail Enterprises Inc., Chancellor, SD

Bridge/Structures: Grangaard Construction, Watertown, SD

Asphalt Paving: Double H Paving, Tea, SD

Pipe: H&W Contracting, Sioux Falls, SD

Surveying: DGR Engineering, Sioux Falls, SD

Signing/Lighting: Action Electric, Sioux Falls, SD

The completion date for the project is June 21st, 2019. The project has an overall cost of \$18.8 million.
